Dear Ms. Edberg,

This letter is to confirm that, if funding is awarded, our church will be taking part in Hispanic Access Foundation's air quality monitoring project.

As part of our participation in this project, my church agrees to install and monitor air particulate measuring equipment, report on results, attend training and monthly project meetings, and reach out to our congregation and community and elected officials and decision-makers concerning the activities and outcomes of this project. We understand that we will be provided air quality monitoring equipment free of charge, a laptop, and that we will be paid \$30 per person-hour, including training time, for our participation in this project. Person hours are estimated at up to 3 hours per week for a three-year period.

As a member of the Por la Creación (For the Creation) alliance of faith-based Latino leaders advocating for environmental justice, I am concerned about the impacts of air pollutants on Latino communities. Thank you for this opportunity to take part in this important initiative.

Sincerely,

Angel Santillanes
